The buyer agrees to place a \$200 NON-REFUNDABLE deposit on the puppy listed above. The puppy shall remain with Breeder until the puppy is at least 9 weeks old and no older than 12 weeks old unless noted in the contract. I am aware that my deposit amount is non refundable should I decide I do not want or am unable to take said puppy.

If the puppy should no longer be available due to illness or accident the deposit will be applied to another available puppy from this litter or another available litter. If the buyer is not happy with the chosen puppy the deposit may be applied to another puppy when available.

If the buyer chooses not to proceed with the purchase of any puppy 25% of the purchase price of the puppy will be charged as a restocking fee, as older puppies can be much harder to place. The fee will be placed as a hold on your credit card and returned once the puppy has been purchased.
