

# Alex Bradley Family Reunion 2017

## Registration Form

We continue to work diligently to keep fees at an affordable price while producing a high quality and fun event. We encourage you to register and pay your fees as early as possible to allow us to have adequate funds to cover expenses for the event. As an incentive, we are offering a discounted rate for early registration. Early registration will run from now until May 13th. The registration fee includes all meals and activities at the Friday welcome and registration, all Saturday activities, as well as your t-shirt. **Please do not forget to fill out the enclosed t-shirt form! In order to guarantee the receipt of a t-shirt in your size, please submit all forms and fees no later than June 8th, 2017!**
